

COMMENTS ABOUT CNUW TOURS - TESTIMONIALS

"Thank you for letting me look at the cool animals. I learned that female owls are larger than male owls."
Fourth grader from Kiva Elementary

"The frog was hiding. I liked the snakes, frogs. The lizard was rough."
Fourth grader from Hawthorne Elementary

"Thank you for showing us the frogs and turtles."
Fourth grader from Hawthorne Elementary

"Lizzards are so coool!"
Fourth grader from Desert View Learning Center

"I like the Wildlife Demonstration Gardens because we got to see tadpoles and three endangered species."
Fourth grader from Yavapai Elementary

"I liked the number of species and how they all had something to do with water."
Fourth grader from Aztec Elementary

"I liked Toad Hall because you could see with your own eyes the amphibians."
Fourth grader from Navajo Elementary

"Thank you very much to everyone that helped my dad and me learn about wildlife!"
Fourth grader from Kiva Elementary

"Your program was wonderful. Everyone had nothing but positive comments. From an educational standpoint, the message of conservation rings out loud and clear. Thanks again."
Steve Smith, teacher at Black Mountain Elementary School

"Thank you very much for coordinating our field trip. My students really enjoyed all the different centers you had, and really learned a lot. Andrew was very knowledgeable and was able to relate to the students very well. I appreciate all the time and effort you put into our visit. I would highly recommend it to others. I hope I can take my students in the years to follow."
Christine Davis, teacher at Hawthorne Elementary School
